

# Big Italian Flavor In A 3 oz. Glass

## Piancone Gourmet Desserts In A Glass

Made in Italy, these imported gourmet desserts come pre-portioned in their own individual glasses. Just thaw and serve any of our four amazing flavors - *Cappuccino* (shown), *Tiramisu*, *Pistachio*, and *Dama*. Cappuccino's rich coffee taste makes it perfect for breakfast or dessert. Tiramisu sticks to the authentic Italian recipe packing in mascarpone cheese, coffee, cocoa and marsala wine. Dama is a decadent combination of chocolate mousse, vanilla cream mousse and chocolate chips. Pistachio combines a delicate pistachio mousse with smooth chocolate sauce and chocolate chips.
