

Salad? Really?

Carnivores Unite! You can order that salad to keep up appearances, but every carnivore knows one thing – a pizza isn't complete if it isn't heaped with tons of mouthwatering meat toppings. While vegetables can attempt to share the spotlight – meat is sure to steal the show every time. Roma's large array of carnivorous pizza toppings can satisfy any lover of meat – pepperoni, sausage, salami, capicola, you name it. So when it comes to pizza, top it the *right* way, with ROMA meats and pizza toppings.
